To All Sponsors,

Advanced Superabrasives is currently planning for the next "Grinding Seminar". The response from "Grinding into the Future I" has been overwhelmingly positive, with many more companies asking that they be part of the "next seminar". The new seminar will be called "**Grind Tec USA**".

With the addition of these companies, we have outgrown the 12,000 sq. ft. that we used for the last Seminar. To accommodate this growth, the "Grind Tec USA" will be held at the Asheville Civic Center with all major speakers presenting in the adjoining Thomas Wolfe Auditorium. This allows us better freight handling capabilities and easier setup. The Asheville Civic Center has many amenities that will allow for both classroom and sponsor exhibit spaces to be easily separated. Cost for a 10' by 8' booth is \$1100.00 and includes 120V power, curtains and admission for two people to all events. If you wish to bring more than the number given with booth rental the cost is \$75.00 per person. A 20' by 8' booth will cost \$2200.00 and will include the same as above. Any tables or chairs needed will be billed on a usage basis. Wireless internet will be provided free of charge.

**The terms of payment are: Non-Refundable deposit of 50% due with receipt of registration, with the balance due by Aug 30<sup>th</sup>, 2007.**

### Power and Machines

Please forward how much space you require, along with your power requirements. Please forward an approximation of the time needed to set-up and tear down your booth. Our goal is to keep this Seminar as simple as possible in order to keep costs to a minimum. Please refrain from bringing hard wood floors, etc. due to the lengthy setup and tear down that this would require. We strongly urge you to reply by as soon as possible in order to provide a manageable time frame for booth layout.

### Hotel Information

The Asheville region is a tourist destination; we purposely scheduled our event at the height of autumn leaf season to allow for the beauty of Asheville to be shared by all. Make reservations early; if you wait there will be no rooms will be available within 100 miles of Asheville. We initially arranged a discounted block of rooms with the Renaissance Hotel in Asheville, four blocks from the Asheville Civic Center, because the normal room rate in Asheville during this time starts at \$200 a night. This block of rooms is now completely claimed, although there may still be rooms available at regular rates. Call them at 828-252-8211

We've made arrangements for an additional discounted block of rooms at the Four Points by Sheraton Hotel, directly across the street from the Renaissance Hotel. The Sheraton has assured us a rate of \$129.00 a night, plus tax. You may contact the Four Points by Sheraton at 828-253-1851 to make your reservations, telling them that you are members of the Grind Tec Seminar in order to receive the discounted group rate. Make sure you are speaking with the Asheville Sheraton and have not been transferred to the Sheraton national offices. They will not be aware of local arrangements. You can also use Sheraton's email address to assure yourself the group rate: [34097@hotel.bestwestern.com](mailto:34097@hotel.bestwestern.com)

Sheraton will need the following information:

- Group Name: Grind Tec USA
- Full Name (i.e. Bill Smith)
- Address
- Phone Number
- Arrival and Departure Date
- Requested Room Type (i.e. King, Double, Smoking, Non)
- Credit Card Number and Expiration Date

Sheraton will return a confirmation number within 24 hours of your request.

Please notify us of the number of people that you are sending to participate at the show, as well as the dates that they will be staying. This will allow us to block out more rooms for attendees.
